Speak With Confidence & Power

A Special 1/2-Day Workshop on Business Presentation

Imagine what it would be like to speak with real confidence in your next business presentation.
**To be more persuasive. To truly engage and connect with your audience and enjoy the experience.
After just a day it can happen.**

Topics Covered:

- Understanding what business audiences want
- Designing your message
- Keeping it short
- Opening strongly
- Organizing your ideas
- Delivering your message
- Closing professionally
- Feeling confident

"Communication is the most important skill in life."

- Stephen R. Covey

Learning Materials: A workbook to help you build more powerful presentations

Workshop participants say:

"A wonderful experience."

"I had high expectations and they were fulfilled."

"I've never learned so much in a workshop."

"Michael is a master teacher."

"He has a genuine passion for helping people improve."
